Customer Reviews

Such a fun read. Took the Mint Julep recipe for watching the Kentucky Derby. Got our palettes and minds ready for our trip to coastal Georgia. A good book for sharing.

Cleverly written with some absolutely great recipes and guides as to what to wear, when to wear it, and other necessities if a person wants to fit right in in the South

Lots. Of. Old. Timey. Recipes. Tips. Places. To. Visit. For. The. True. Southern. Lifestyle.

Pretty good summary on many subjects. Quick and easy to read. Only think left lacking was one author's voice, kind of moves about in style.

Such a classy little coffee table book! Love it

funny and lite hearted look at southern living

A must read for those outside of the southern states....it explains a lot

Thanks!
