Customer Reviews

Too much personal commentary. Gets away from facts much to often to express his religious beliefs. But still a good read.

Great aid for my Scottish Genealogy. Much good information for me to follow up on. I love the Kindle versions of all books.

If you into history you will like it. It is about some old old stuff. I likke it. It was what I wanted.

Good basis for reading the "Outlander" series by gabeldon

See review of "All Volumes"

Prompt service. Book is nice.

very interesting

Well researched
