Bought for class I took that didn't have option for e-book (usually this is free at my school). Great choice since I didn't want to spend over \$100 to buy it. Was in great condition, easy to return. Highly recommend! Book was easy to understand.

Bought it for a class. Good information, explained in a reasonable way

Highly recommend it. It was a book chosen by an instructor I really respect in the Real Estate Investment Underworld. Awesome supplement.

Explanations seem incomplete.
