BEN SAID (Winning Odds Series Book 6)

Synopsis

"I love how the characters from the Winning Odds and Maple Dale Series and most recently the book Tetch crossover into one another's stories. I've read each one and know and love them all even better now." CindyJoy Talbot Prepare yourself for an emotional roller coaster ride as you revisit family and friends up close and personal at MegÃ¢ ¸s Meadows and Nottingham Downs. YouÃ¢ ll laugh, youÃ¢ ll cry. YouÃ¢ ll look forward to each day as it unfolds, and, as in Will Rogers case, you may even want to buy a racehorse. When Thoroughbred breeder, trainer, and racetrack owner Ben Miller tells the press the Thoroughbred racing business has to change from the ground up if it is going to survive, two journalists set out to find answers to the controversial breeding practices considered business as usual in the industry.

Customer Reviews

Another great story about Ben and his ever growing family. Ms. Myers continues to deliver real racetrack experiences while taking us behind the scenes to walk with this great cast of characters. The messages in this series continue to be focus on family, focus on doing right for the horses, and

focus on helping those in need....a great message in these days!! enthusiastically look for the next installment in this series --- more racing and longer books please :) .

I love this series!! Ben, Dawn, Beau Born and the whole gang has become one of my favorite horse dynasties! Life on the track comes alive with every page of morning feed and track session to bringing them in at night. I read Book1 and did not stop until I finished Book 6! Will there be a Book #7?

I loved this entire series, even though I found it difficult to believe these people had few problems and all gathered together EVERY night for supper. The author didn't have a lot to say about the relationships.

I tend to be very critical about racetrack books, since they're usually riddled with inaccuracies, but Ms. Myers has really nailed this. She captures the atmosphere of a racetrack, and all its passions, perfectly! You can hear the hoofbeats!

"Ben Said" is another win for MaryAnn Myers. We've all grown to love the people and horses we have met in MaryAnn's books and so it is a pleasure to be with so many of them once again. It is a "page turner" and MaryAnn does save the absolute best part for last, in my opinion. The book just gets better and better. And yes, Tetch is there. Being in a similar line of work, I had tears in my eyes as Tetch lovingly used her gifts once again. - Thank you, MaryAnn, for another gift from you for all of us!

BEN SAID is a wonderful continuation of the WINNING ODDS series. Mrs. Myers doesn't sugarcoat the dark side of thoroughbred racing while telling a heartwarming story of Nottingham Downs. And the wonderful folks at Meg's Meadows. Winning Odds series is a win

Excellent really enjoy this author
