Brothers Black: Wyatt The Heartbreaker

Synopsis

Brothers Black: Wyatt the Heartbreaker Book 1 in Brothers Black Series I don't just love my woman, I protect her, I provide for her, I would die for her. Nellie walked into my life when I needed her most. Now I'm not willing to let her go. I will destroy anyone that even thinks of harming my woman. Nellie is nothing like the women I used to bring pleasure to. Oh Yes, I bring pleasure on levels that will numb your mind for months. When I lay eyes on Nellie, I know I want to bring her and only her that pleasure. I just need her to see past my past. I'm the oldest of seven hardheaded brothers. Some call me the ring leader, some call me the voice of reason, and everyone knows me as the heartbreaker. Only I never wanted her to know that. Now I'll just have to show her that I can heal a heart much better than I can break one because I want hers. I am running from my past. I never thought that I would run right into the arms of freaking Wyatt Black. I watched him break hearts from afar. The last thing I need is to be next. But like I said this is Wyatt freaking Black, the six foot three, golden eyed breathing definition of sexy. Women line up to get their hearts broken by him. So really how am I supposed to resist him? I'll give in and when I do, I'll find that he is more than what I bargained for in so many ways. I mean in every way imaginable. If sex were a weapon Wyatt Black would be lethal. Who I am kidding Wyatt is lethal, especially when it comes to me. When the past comes to haunt us, Wyatt will always protect me, without thought, without question. Wyatt isn't a heartbreaker, he is my heart healer. Wyatt damn he was sexy!!!! I loved this book him and Nellie were so hot together and the care and love he showed her when he decided she was what he wanted. And how he showed he was willing to put in the time and effort to show she was worth it was fire!! loved the action and the family interactions where hilarious!!! I loved it and being the oldest I know just how Wyatt felt your always taking care of and being the strong one you want someone who has your back and will go to the mat for you!!! And the love scenes where so smoking how he pampered and then put it to her merci can I get a Black?

I want more! I loved Wyatt and Nellie's story. I liked the fact that Nellie was vulnerable, smart, capable of protecting herself and a singer!! Nellie is running from a weirdo crazy ex and Wyatt decides to be her protector. Wyatt is/was a man whore who throws his lil black book away for a chance with Nellie. The chemistry between these two is off the chain. The romance is sweet and enduring. I want more! I'd love to see them in future books or a sequel. They never argued which is kinda strange since everyone around them do. That doesn't take away from this story, tho it's just

an observation.

A good book, if rather long winded. The H is huge, works in security with his large family of brothers. The H is handsome, not very discreet in his personal life. Seemed odd for someone working in security, and supposedly a computer genius. The h knows his brothers well, but not the H. She too is a computer genius, and although tiny, she is brave and strong. He is mad for her, so lots of steamy scenes. When the h is kidnapped by Russian mobsters, with some of the H's hidden family members, she shows her courage and strength. It is OTT and a great read.

This book was EVERYTHING!!!! This my first book from the author, and I am an immediate fan. This book had me crying tears from laughing so hard as well as crying tears from the emotional things. I love the connection, bond, and love between the brothers and their parents. The Mama Black was my girl. She had no filter or no chill at all. lol :-) Wyatt and Nellie were made for each other, and I loved how their connection were made long before that knew each other. Their love is the kind of love that I hope to one day have. Of all the lines, and there were plenty good lines, my favorite one was..."Wherever I am you are!"....and that's how it should be.

First, I must say that Blue Saffire has become one of my favorite authors. I laughed, cried and rejoined while reading this book. Wyatt Black is the man. He is so comical at times, and I love his inner thoughts. His love for his family ran deep, but his love for Nellie was unconditional! Love the way he loved her and brought her out of her cocoon and made her the vixion that she was. Boy, was the sex hot, hot, hot, loved it. It broke my heart to see her mother having to suffer and succumb to the fight against cancer, it touched my heart because it hit home to me personally. I was glad to see that Nathan Briggs and the gang was brought into the story. I like how all of her novels are inter gained. I must say I will continue to read any and everything from Blue Saffire in the future.

This story is by far the best in the series thus far. It seems the author put her heart and soul into it . Nellie and Wyatt are electric together. This is more than just a love story. It deals with abuse, kidnapping, secrets, trust, protection, and loyalty through good and bad times. The entire Black family is introduced as well as supporting characters which makes the book more realistic. Forgot the sex is off the hook. Cannot wait for Noah story. Thank you Blue.

Wyatt and Nellie.. Oh, what a ride.I was curios as to how, then excited about with butterflies and left

crying in total awe. Gentleness and raw love were weaved into the characters talking through their situations and holding on strong to one another throughout. Knowing that sticking together knowing is the only way to remain whole. There were some parts of this story I thought could be restructured and executed better. Still I loved Wyatt and Nellie's story.

I really enjoyed reading this book. Wyatt is such a loveable man. He and Nellie are good for each other. I love Wyatts entire family. I laughed when Wyatt was going out of town for two weeks and he put Nellie's name on his account. Really?? I love the way he took care his woman. I can't wait until Noahs story is out. I will recommend this book. This is my first time reading this author's book. You have another fan Blue
