Customer Reviews

I don't really like reading extremely long books because I don't have that much time. When I saw this book on Europe travel, I decided to give it a try. I really liked it because it started directly with the main subject matter. I was really hooked to this book and I have to say that it is precise and to the point. After finishing this book, I decided to prepare my plan to Europe again. Overall, a very good book.

This guide helped us travel all over Amsterdam - it was perfect for our trip.

Excellent. Will be very helpful in my forthcoming 3-day visit to Amsterdam.

This is one of those places I definitely want to visit. It was worth reading this book and now I think I'll be prepared.

This booklet was very helpful in planning our short stay in Amsterdam.

helpful

Basically disappointed with the paucity of information in this book. No maps which is a huge downer and also missing the printed links. Do not recommend this book.

No continuity with his organization; some prices noted, others not. Presents very little information.

Poor grammar skills.
