Until Nico: Until, Book 4

Synopsis

Sophie Grates has never had it easy, but she's finding her way through life one step and one day at a time. That is, Until Nico comes in and flips her world upside down. He forces her to see that she cannot live life from the outside looking in and that sometimes you have to step out onto the ledge so you can really enjoy the view. Nico Mayson knew the moment he saw Sophie Grates that she was the one. His whole life, he has been judged by what's on the outside, so finding a beautiful woman who sees the real him only makes his feelings that much stronger. Nico knows the kind of man he is and the things he is capable of, but he also knows that everything in life worth having is worth fighting for. Contains mature themes.

Customer Reviews

Nico is the baddest of the Mayson boys and arguably Ms. Reynolds' hottest alpha yet. I loved this book to pieces and I am so glad that there are so many more Maysons to love in the future... the whole series is amazing. If you love romance novels, these HAVE to be read, like, YESTERDAY!

KABOOM! That's what Nico Mayson hears when he meets Sophie Grates. Oh, he'd heard the story about his Grandfather, from his Dad and three brothers. Heard it his whole life. Because it happened to all of them. And he laughed. Laughed til tears dribbled down his face. The "Mayson Curse"...that when you meet that "special someone"...you'd hear BOOM! Yeah riiight! And now...crazy of all crazies...it's happened....TO HIM?!? Un-be-lievable! No frikkin' way! She's a 23 year old loner but not really lonely. She lives happily in her own world..in a bubble of her own

making. She's a part/time librarian and has been on her own since she was sixteen...leaving her irresponsible father after her mother dies. Sophie Grates is very shy with few friends. She never dates. She's bruised and broken from a traumatic event that changed the course of her life...causing her to avoid any type of relationship with people.Nico Mayson has known a lot of women and has never allowed any woman to affect him. He's never cared what they say or do. He's never EVER pursued a woman. Nico is a huge, sexy, tattooed bounty hunter with electric blue eyes and a 4 pound pomeranian named Daisy. And the moment he meets Sophie....nothing else matters. All he hears is.....KA-BOOOM! She's soft to his hard- - she's sunshine to his dark. She's innocence to his roughness. And he quickly becomes lost without her. She becomes his reason to plan a tomorrow.I so love books told in first person...and I especially loved reading this story from two POV. The male/female POV. I absolutely loved this fast paced story of courtship and romance and coming together, with very little, weak, predictable drama. Don't care...didn't matter, I was thoroughly entertained with the humorous, refreshing dialogue between two main characters, knowing all the time the ending was going to be fine. Mighty fine.This story is simply sweet. I thought this Author did, once again, a fab-u-lous job of delivering a commanding, romantic plot with lot's of humorous moments and dialogue...always making sure to introduce and weave in the characters (of her NEXT work/book) by laying their foundation. I thought the narrative and dialogue in this story was nicely balanced. I adore all the sub-characters (Asher/NovemberÂ Until November (Until Series) (Volume 1)... Trevor/LizÂ Until Trevor (Until Series Book 2), Cash/LillyÂ Until Lilly) and their devotion to each other. All such strong personalities with a strong sense of family.I anxiously await Kenton's story...

I enjoy reading ARR's books because they are sweet and have a HEA. I like that there will be an alpha male, a lovely female and a wonderful family (either the H's or h's). I love how no matter what is going on around them, the H doesn't give up on the h. He fights for her, to protect her, to love her, to let her be herself, even when he's keeping tabs on her. I knowing that each time I open one of her books no one good is going to die, the bad guys will be taken care of and there is a HEA. Call me crazy but in today's world I do like to know there are books like Until Nico where the H is a tatted up prince charming who will protect his librarian princess at all costs and loves her from first sight. I just wish ARR wrote faster, or that I found her books later because patience is not one of my virtues, as I wait for the next one to come out. =)

I love this author's characters. I was looking for a H that would be strong yet tender with the h and this book delivers. I loved that aspect. So why only 3 stars? Too many large gaps in the story. Nico

had just barely broken down Sophie's defenses to get her to agree to date him and, all of a sudden (next chapter) we learn they've been together several MONTHS? A few chapters further on, there is another huge leap in time line. I would have preferred to see the developing relationship and the romance itself. I started one chapter and Sophie's best friend refers to her getting married. I had to stop and think, "Wait a minute! Did I miss the wedding??" I kid you not. That's how big a jump there was. (The wedding was filled in as back story a few pages later.) The huge leaps in time, made the over all story feel rushed and disconnected. I spent a lot of time being a bit confused, to be honest. That said, the characters themselves are wonderful. I liked them both. And I REALLY liked how Nico, with all his bada\$\$ appearance, would be so tender and gentle and understanding with Sophie. It was just too disconnected, taking too many big leaps, to get a higher than 3 from me. If you choose to buy the book, I think you will like the characters. I know I did! Just be aware that there are some huge leaps in the story.

Until Nico was HOT! Nico is perfection - tattooed, sexy, bada*s. Nico won't let nothing stop him from getting to Sophie. This installment of the UNTIL series by Aurora Rose Reynolds was amazing. It had the perfect combination of sex, drama, love and loyalty. The Mayson brother's are the whole package and completely swoon worthy. The UNTIL series is intense in the best way possible. They each were hard to put down. I binge read Until November, Until Trevor, Until Lilli and Until Nico. These are must reads!
