Fabulous book with the most amazing photos. Totally enjoyable! Purchased for a trip around Lake Superior (by car). This book gave me a better idea of where I wanted to stop, explore and poke

around + local info that is missed by guidebooks. A great arm-chair travel book for those that prefer to camp and paddle the shore of Lake Superior by easy chair :).

Wonderful photography and interesting subject matter. I may not have actually read it yet, but I have gone through it several times and enjoyed it every time.

The beauty of the book are the incredible photos. Excellent eye and equipment. The narrative is for the hardcore only.
