The Bimbo Games: Must Not Moo (Win Or Bimbo Book 2)

Synopsis

Welcome to a brand new episode of The Bimbo Games! The most creative and deliciously devious show on TV is here again with a brand new contestant trying to make their way through the gauntlet of weird and wonderful obstacles to get crowned as a winner. If they make it to the end as a victor then a huge cash prize is theirs to take away. If not then those body changing nanobots will be unleashed to have some fun. Today's contestant is Chanita and she has four stages to overcome if she wants to walk away with the grand prize. However to win she has to make it to the end without making a certain sound, a sound more commonly heard on a farm than a TV studio. Of course such a thing sounds very easy to do but naturally the mind's behind The Bimbo Games know just how to make a woman say anything they desire. Chanita will have to battle against the changes and the stages if she wants to come out on top. Will Chanita be able to overcome the odds or will the allure of being a hucow prove too great to resist? Of course you'll need to tune in to find out!
