# THE SWINGERS RESORT: Sharing My Wife For The First Time

## **Synopsis**

Edwin and Cassidy are finally on vacation. After working hard for months they just want to relax at a beautiful hotel right on the beach. Everything seems perfect and beautiful, but when they unexpectedly realize that's not a regular resort, and witness unacceptable and scandalous scenes at the beach, Cassidy is outraged and wants to leave the place right away. Edwin is actually delighted and excited to have ended up in a swingers hotel and he wishes they could stay. In fact, something's going to happen when Cassidy goes to their room to pack her luggage... Will she change her mind, and find out she doesn't dislike the hotel that much, after all, opening to new and inconceivable experiences? Will this naive couple be ready to become swingers and watch each other losing control with random strangers? Amazing short swinging story! This 4.2-K words tale, is kinky, dirty, naughty and outrageous, and will make you drool and excited, whether you decide to read it with your significant other, by yourself, or together with your female and male friends.
