JERRY SPINELLI is the author of many books for young readers, including Milkweed; Crash; Winger; Hokey Pokey; Maniac Magee, winner of the Newbery Medal; and Knots in My Yo-Yo String, his autobiography; as well as Today I Will, written with his wife, poet and author Eileen Spinelli.

GREAT series! I would recommend it to young and old alike.

Granddaughter loved reading these books, she is thirteen years old.

My granddaughter favorite

I gave this book set to my 12 year old granddaughter for her birthday. A good choice!

One of the most amazing books I have read in this genre. We read it together in my 7th Language Arts class and all my students loved it. Great read, wonderful story and just enough new vocabulary for middle schoolers. Absolutely lovely book.

Outstanding stories! I could not put them down. I would suggest this series for anyone but especially for those just starting High School. It lets people know it is alright to be different!

My 11 year old loves these books! She needed them for middle school and really enjoyed reading them.

Very sweet story. I think Stargirl is a great read for teens and adults as well who need/want to delve back into their creative side.
