Is There A Pre-Tribulation Rapture: A Hebraic Understanding: Is There A Rapture Or Not? Both Sides Are Defended With Substantial Hebraic Biblical Evidence - You Choose

Synopsis

With this teaching you will get both sides of the argument, for and against a Pre-Tribulation Rapture, also known as Pre-Trib Rapture. You will get the VERY best of both arguments from a Hebraic understanding to make an informed decision whether there is a Rapture before, in the middle (called Mid-Trib Rapture), at the end of the Tribulation Period or not at all. The author is not here to convince you because it is really the work of the Ruach HaKodesh (Spirit of God) to teach and convince you. Our motto remains WE INFORM, YOU CHOOSE, however, this book is going to challenge beloved Messianic and Christian believers beyond what they are prepared for! The reason, the Pre-Trib Rapture is not only proven from the New Testament (B'rit Hadassah), but also from the Torah (Law) and the Prophets, meaning from the TaNaCh what Christians call the Old Testament. The following unquestionable topics are discussed: 1) The Typology of How a (Cohen) Priest Was Consecrated in the TaNaCh and ONLY a Pre-Trib Rapture Satisfy the Torah. 2) The Typology of Joseph as a Picture of the Messiah. 3) The Typology of Isaac and His Marriage to Rebekah. 4) The Typology of Moshe (Moses) as the Bride. 5) The Typology of Yochanan (John) as the Bride. 6) The Typology of the Suffering Messiah (Moshiach Ben Joseph) and Conquering Messiah (Moshiach Ben David). 7) The Typology of the Jewish Wedding Tradition Model. 8) YHWH's (God's) plan of Redemption Encoded in the Seven Feasts of Lev 23. 9) The New Covenant Proving the Antichrist Can Only Make His Deal but After the Rapture. 10) Satan's Power Basis in the Tribulation Period Immediately After the Rapture Confirms a Pre-Trib Rapture. 11) Why the Rapture Is Not Mentioned in the Beginning of Matthew 24. 12) Various Words and Verses Describing a Pre-Trib Rapture. 13) 17 Scriptural Differences between the Rapture and the Second Coming. 14) 16 Scriptural Proofs of a Pre-Trib Rapture. 15) Historical Facts That the Rapture is not a "New Teaching" and That It Has Been Taught in Every Century Since Messiah. 16) Disproving the Post-Trib Dogma Reasoning. 17) The Consistency of the Bride's Pre-Tribulation Rapture Removal, and the 18) Shebua, Also Written as a Shevuah or Shevua, Meaning 'Seven', Consistent In Every Teaching Above. This book will however give you the very best information to defend your position whatever you choose, Pre-Trib Rapture or going protected through the Great Tribulation. It discusses the Bride, Marriage Supper of the Lamb, Guests, Wedding, Witnesses, Garments and many other topics. A must book for the serious end time events student! It is a book that every Bible Study Group, Family and Seminary must have on their shelf. It is Jewish and Christian Eschatology Studies at its best. (Thank you for being patient with us. We are in the process to upgrade all our books based on captivating Biblical topics, explaining secrets and mysteries. Customer Reviews

I have studied pre- Mid - post tribulation from many many theologians, Prof Liebenberg has excelled any book I have studied in my 52 years of ministry. He shows the scriptures, you decide the truth. I have recommended it to numerous people, it's that good.

This book has some interesting points to make, and gives the reader without a Jewish background some interesting things to think about. However, this author also has some unorthodox views concerning baptism and other things.

Well done! Prof. WA Liebenberg makes a wonderful case for Pre-Trib Rapture, so much so, that where I began reading this doubting, I truly am a believer now.

I am convinced of a Pre-Trib Rapture. This was a big change for me, but based on Biblical history, there can be no other answer! Very well documented!

Very good book. I really like how the author references scripture verses to build a foundation for this book; can't go wrong there!!

Pre-Trib or Post-Trib? You read. Your decide. I really liked the Hebraic priest and Jewish wedding examples. This book has challenged my understanding and given me a desire to know God more deeply. I recommend this book to anyone who struggles to understand his/her role in the coming tribulation.

Very informative. An eye opener indeed!
