# Mark Of The Huntress (The 's Pledge Book 2)

## Synopsis

“The life of a fugitive sorcerer is rarely dull. I’ve spent the last few years on the run from the Senosi Huntresses, the Grand Inquisitrix’s personal mage-slayers. Most men wouldn’t mind being chased by a bunch of beautiful women clad in tight leather armor and high heels, but trust me they’re a lot less sexy when they’re trying to siphon the magic from your blood and perforate you with crossbow bolts. I never expected to survive this long, and I definitely never expected to meet a gorgeous, red-headed warrior willing to defend me with her life and pleasure me with her perfect body. But I’m sure as hell not complaining, and together the two of us might just have a chance of getting out of this alive.”

Mark of the Huntress is an action-packed erotic fantasy novella and the second installment in the best-selling THE ’S PLEDGE series (24,000 words)
