Shipping Weight: 11.2 ounces

Average Customer Review: 3.7 out of 5 stars 11 customer reviews

Best Sellers Rank: #6,069,695 in Books (See Top 100 in Books) #57 in [Books > Travel > United States > New Hampshire](#) #3589 in [Books > Travel > United States > Northeast > New England](#) #101082 in [Books > Deals in Books](#)

Customer Reviews

Praise for a previous edition "Whenever someone writes about New Hampshire's out-of-way places of interest, I scour through to see if any of my own favorites were left out. Darn it all. . . none of them were! In fact, [the authors] added quite a few I didn't know about." •Judson D. Hale Sr., Editor, Yankee magazine

Tired of the same old tourist traps? Whether you're a visitor or a local looking for something different, New Hampshire Off the Beaten Path shows you the Granite State you never knew existed. Follow a nature trail marked with verse at the Robert Frost Homestead; partake in the specialties at the Yankee Smokehouse, one of New England's few authentic open-pit barbecues; or learn about the history of skiing at the New England Ski Museum. So if you've been there, done that • one too many times, get off the main road and venture Off the Beaten Path. Visit the Foolish Frog, Carol Hawley and Francis McMillen's amazing museum (on Route 3 in Stratford Hollow) featuring hundreds of "frogs" from plastic toys and novelties to a frog-shaped flute and

frog-themed baskets, puzzles, pottery, and potholders.

Great ideas for planning our trip later next year

We have been purchasing these for a number of years and our kids and others wonder why we wouldn't just use a GPS or our phones to map where we are traveling. Well, mostly because when we go to remote, heavily wooded and hilly or mountainous like the White Mountains, or Upstate New York, or WV, we are told over and over do not rely on devices as you may not have good signal or they are unreliable. So for us, the maps are ideal and show us every backcountry road there is.

Book is exactly what I need for scenic drives

Since I am a fairly new resident of New Hampshire and have been coming here for years, I thought it was about time to get off the beaten path and rediscover NH. This book should help me achieve that and is easy to take with.

We have bought a second home in New Hampshire. We love the state and have had a great time exploring. This book was a real find - it has extended our knowledge of our new state, and has shown real insight and care in the selections. You will find this really helpful to get to know this state.

Bought this as a gift, put tabs on all the interesting spots and he loved it! Amazing for gifts

As I said in a review of another NH book, we can't wait to get there to find some of these fun looking places!

I was looking for a book with interesting facts and things to do. It was a boring book to read and I didn't get that much out of it
