Synopsis

This opening fold-out contains a general map of Florence to help you visualize the 6 large districts discussed in this guide, and 4 pages of valuable information, handy tips and useful addresses. Discover Florence through 6 districts and 6 maps Centro Storico Santa Maria Novella San Lorenzo Santa Croce Santo Spirito/ San Frediano San Miniato al Monte For each district there is a double-page of addresses (restaurants • listed in ascending order of price • cafés, bars, music venues and stores) followed by a fold-out map for the relevant area with the essential places to see (indicated on the map by a star *). These places are by no means all that Florence has to offer but to us they are unmissable. The grid-referencing system (A B2) makes it easy for you to pinpoint addresses quickly on the map. The Washington Post says, “The map guide lets you be inconspicuous: it’s as small and light as a novella, and its flip-out maps could pass as a flyer to a cool club.” “Make sure you never lose your way in a strange city. Each of the Knopf MapGuides captures its city’s pith in a package as small as a passport wallet.” “Knopf MapGuides are handy, practical and perfect for those of us who are slightly impaired when it comes to map-reading. You don’t

have to search a huge crackling sheet with a microscopic index for one of 10,000 dots on the map. The extraordinary quality of the books, beautiful hues and heavy paper also give these \$8.95 guides an evocative quality that stands apart from the glossy, garish look of most travel books. "A good, handy portable item for a quick trip" - Marin Independent Journal "We love Knopf's smart new map guides." - San Francisco Chronicle "A comprehensive 5-Day Travel Guide to Florence + Tuscany, Italy & Unforgettable Italian Travel (Best Travel Guides to Europe Series) (Volume 3)" - Travel & Leisure

Having visited Florence last year without a good map, and planning to return this year, I have been searching for a compact, well-made map that clearly reflects the streets and buildings within the various districts. This one is far and away the best I've found. Divided into six clear sections (Centro Storico, Santa Maria Novella, San Lorenzo, Santa Croce, Santo Spirito/San Frediano, and San Miniato al Monte), it contains marvelously clear 10" x 7" foldout maps of each, with street names and buildings clearly marked, brief descriptions of the various sights, listings for restaurants, cafes and shopping, and a useful section on transportation in Florence. Overall, it is 5" wide x 7" tall x 1/4" thick, sturdily made, and will easily fit in a jacket pocket. Highly recommended.

we love the neighborhood detail in Knopf CityMap Guides and depend on them to get to where we want to go when we travel to a new city.

Wonderful price for an out-of-print peice, as well as quick delivery.

Don't despair if you can't find this excellent map! The new, updated version goes under the title Knopf MapGuide: Florence.
