The Feeling Of Greatness: The Moe Norman Story

Synopsis

In *The Feeling of Greatness*, second edition, golf coach Tim O'Connor updates his previous biography of the late great, Canadian golfer Moe Norman, who was famous for introducing the single plane golf swing. This edition includes new anecdotes about Moe both on and off the course by golfers, journalists, friends and family, and offers a more in-depth portrait of the man and golfer, especially in the last years of his life. O'Connor shares with readers his personal and professional friendships with Moe along the way. Some twenty years later, from a distanced perspective, O'Connor sets the record straight about Norman, promotes his legacy as the legendary golfer he was, and reflects on life lessons learned from their association over the years.

O'Connor shares with readers his personal and professional friendships with Moe along the way. Some twenty years later, from a distanced perspective,

O'Connor sets the record straight about Norman, promotes his legacy as the legendary golfer he was, and reflects on life lessons learned from their association over the years.

Great book! Better than 1st edition. Interesting and enjoyable read.

I have read the first edition and am excited to hear about the second. Tim O'Connor collaborated on this update with Todd Graves, the president of Graves Golf, a business that teaches the Moe Norman version of the single plain swing. Todd was close to Moe for about 10 years and may be the only "Moe Historian", having collected a significant number of Moe print articles and videos. For more information, checkout gravesgolf.com.

Thank you Tim O'Connor for writing such a great book about the life of Moe. Everyone should "Know Moe" and this books helps everyone learn about the greatest golfer that the world never knew. Moe is known for his incredible ball-striking what he called "The Feeling of Greatness". The stories in this book helps you feel and understand Moe - not as a mythical character - but as a man who found golf as a way of dealing with his insecurities to become one of the best ball-strikers who ever lived. This is by far the best book ever written about Moe Norman.

Nice fun read about an interesting character of golf. Makes me sad that I missed seeing him play but have become intrigued by his self taught golf swing and his process of learning it. Wonderful and colorful stories of his behavior that makes you laugh and sometimes cry. I'm hooked!
