David Parlett --This text refers to an out of print or unavailable edition of this title.

This book is well written, with easy to understand directions and easy to follow examples. I recommend this book to anyone wanting to expand their card game repertoire.

very nice . just fine. my company need it , good . I have bought several Bread products recently as I have started to make homemade bread. This product was reasonably priced and does an excellent job slicing our bread thick or thin. A buyer should not be fearful that this product is below par - very good product at a good price! Don't be afraid, just order the product and enjoy your bread.
