Art And Creative Development For Young Children

Synopsis

Written for pre-service and in-service early childhood professionals in child care, preschool, or kindergarten through third grade settings, **ART & CREATIVE DEVELOPMENT FOR YOUNG CHILDREN**, 8th Edition, takes a child-centered approach to art education. Updated throughout, the book includes an in-depth discussion of technology to aid teachers in understanding the role that technology can play in children's visual art appreciation and production. Guidelines for establishing an inclusive art program in classrooms for young children are included for early childhood professionals. Activities and recipes make the text a valuable resource for in-service teachers.

Customer Reviews

"Exceptional! Inclusive of the whole child and connects a vast amount of knowledge students need to understand in order to feel capable in the classroom setting when facilitating quality art experiences with children." "An incredible book to encourage students to tap into their own creativity to understand how it feels. . . . It is an indispensable resource that will be used over and over again."

Jill Englebright Fox is a professor of early childhood education and the Director of Assessment at the University of Houston-[Victoria](#). After teaching kindergarten and first grade in the Texas public schools for eight years, she received her Ph.D. in Early Childhood Education from the University of North Texas. She continues to be active in early childhood classrooms as a volunteer, a professional consultant, a researcher, and a teacher educator. Robert Schirrmacher was an instructor with the San Jose/Evergreen Community College District. He received his Ph.D. in Early

Childhood Education from the University of Illinois. His experience includes teaching preschool, kindergarten, and first grade as well as teaching at undergraduate and graduate levels. He has assisted in Montessori schools and directed programs for young children. Dr. Schirrmacher has served as a consultant to parent groups and public and private early childhood programs. As an advocate for developmentally appropriate education and quality care for young children, he has been involved in professional organizations at the local, state, and national levels.

great book so far great for child development

Very detail book on Art and Creative Development. It has sample activities to help you get started.

Its a wonderful book.

Great condition!

Provided a good foundation of child development through art. It was very useful resource.

A lot of useful techniques and activities for using art in the classroom, not just for art class.

Excellent

Great child development book.
