Customer Reviews

This book was epic! I loved it! This is the first time I've reviewed one of your books but this because I couldn't before. I really can't wait until skeleton steve will get a enchanted golden apple! Will it make him get his memories back or will it do nothing but give him potion effects? Also more ideas for the next book...1. make skeleton steve eventually get captured and then elias's enderman race have to make a huge last stand to stop the doomstrike clan from turning skeleton steve and they end up saving him. 2. this sort of connects to the first one but make skeleton steve eventually find the artifact and elias takes it but then skeleton steve becomes obsessed over it and eventually makes contact to it and he turns back to the skeleton king! 3. please put me in the book! I've never been in a book and your books are my favorite. I say I love other books and authors but yours are my favorite. If you were to put me into the book I want to be another skeleton who ends up joining skeleton steve and his group. Make me a nice and cheerful character who they find in a cave while mining for gold. I want to fight with a enchanted iron sword with the enchantment smite level 3. and my final thing to say is if you put me in your favorite reviewers section make my name johnathan please. also if you put me as a character make my name johnathan too. please! anyways awesome book and I will leave reviews on your books more. bye.

You put me in the fav. reviewers section! Yay! Thank you soooooooooo much! When I looked and saw my name I was so happy! Now on with the review [f&A](#) - [Summary/Spoilers](#) Skeleton

Steve tries and eats 7(or 8) golden apples but still doesn't regain his memory. The minecraftian friends aren't keen on giving up though(i'm not sure the word "quit" is in their vocabulary.) They think an enchanted golden apple might do the trick. Of course they just used all the gold(8blocks) on the golden apples. It takes 8 blocks to make an enchanted golden apple so que facepalm. Long story short they go mining get 65 gold ingots (they need 72) and get attacked by team doughous. After defeating them they go's back to the end for reinforcements. The end NOTE TO THE EPIC AUTHOR Your books rule man! They come out super fast and are soooooo good. Also WHY THE CLIFHANGER! I love/hate it. Please use my idea for the character. Also could you make it so the ningas from doomstrike took skeleton steve and experimented on him? That's why he can speak mob and human plus has red eyes. They gave him the war bow and wanted him to destroy the overworld. Happy one year anniversary and sorry for late review KEEP WRITING(and making them KU) Bookworm_29 PS. sorry for spelling mistakes. On a hard to write with Kindle Paperwhite

Hi, Skeleton Steve, My name is JD, and I want to say that your books are 100% AWESOME!!!! Here is my top four minecraft authors.4. Cube Kid3. Zack Zombie2. Skeleton Steve1. Steve the NoobSorry that you're not #1. But your books are amazing, and Zack Zombie is really good, Cube Kid is okay, and everyone else (besides Steve the noob) STINKS. Not kidding one bit. I am also writing a minecraft book series called The Life of Deathstroke the creeper. Be sure to check that out (when it comes out).Bye, Jesus died for you.

Slight cliffhanger but the better.I hope in the next book the doomstreak clan does not steal Skeleton Steve.P.S I would really enjoy it if you made a 4th book of the creeper king and if you do that would make my day. ^_^

soooooo good I loved it so much. could you do a new creeper king please.~~~~~Ideas~~~~~i liked what you did where you incorporated zebulon the knight could you do something like that in the futurenext, could elias comeback he was my favorite if not could you do a new series about elias (I know it seems like im asking a lot I just love these books)hmmmmmmmmmmmmmm all out of ideas keep writing skeleton steve

Skeleton steve these books are awesome keep writing books just like this and seeing the other reviews it would be good if the doomstreak clan don't get you and that your creeper king series

should really continue keep being awesome book writer.

Great book and all but, it's not spelled pick axe it is pickaxe just so you know. P.S Nice book couldn't be b yer (unless it was longer of course) :)
