ISBN-13: 978-1591661672

Product Dimensions: 0.5 x 7.2 x 8.8 inches

Shipping Weight: 1 pounds

Average Customer Review: 3.8 out of 5 stars 13 customer reviews

Best Sellers Rank: #93,843 in Books (See Top 100 in Books) #52 in Books > Teens > Education & Reference > Foreign Language Study > Spanish #1012 in Books > Libros en espaÃ±ol

## Customer Reviews

Spanish 1 introduces students to beginning Spanish. Students will learn how to ask and answer questions in Spanish, give and follow directions, purchase items, make small talk, and present the gospel. The textbook is rich with activities to help students gain confidence with the Spanish language.

I was surprised to see two bad reviews before mine. I have used this curriculum as a student in my Spanish class and have taught from it as well. With any curriculum, you should have a Spanish-English dictionary handy (or use [wordreference.com](http://wordreference.com) or other online dictionaries). I do like to skip around with this book, but it's a fine curriculum as long as you have a dictionary (which you do, as long as you have internet) and is especially good with a teacher or class.

I have been surprised to see the negative reviews on this product. I have used this book in teaching Spanish both in classrooms use and in tutoring. I have found it interesting, attractive, and organized

in it's way of teaching. I really like the reference charts in the back. I tried another more popular High School Spanish course, but I am back to Bob Jones. And, yes, each student will need a dictionary.

Would buy again :-)

love the Christian focus; useful exercises/vocab

The book gives numerous illustrations. However, frequently illustrative sentences are presented Using grammatical structure or vocabulary word that the students have not been exposed to. That's discouraging to the students.

Useful, albeit a lot of stuff to fit into the schedule.

When one buys a used text/school book, one gets a (hopefully) used book. Not pristine but serviceable. A case of you get what you pay for.

Not what I consider beginners.
