Hermanovce: Four Seasons With Roma

Synopsis

In Hermanovce: Four Seasons with the Roma, Jarret Schecter has photographed the world of the Romany gypsies as never before, with unrivalled access to their demi-monde. By taking the settlement of Hermanovce, in Eastern Slovakia, as his subject, Schecter has revealed a system of traditions and cultures both noble and unfathomable--that of the Roma.

Customer Reviews

These photos present a captivating slice of life in the world of the Roma living in Hermovance, a small village in Slovakia. However, I wish that there had been been more cute pics of the young Roma children in the village. Also I would have liked more text explaining the stories behind the pictures to make the book more interesting.
