## Customer Reviews

Illus. in full color. Beginning readers can learn 100 different words in this story about a remarkable dog.

Michael Frith, Illustrated by P. D. Eastman --This text refers to an alternate Hardcover edition.

This book was perfect in my kindergarten class for Read Across America. Lots of teachable skills in this book! Rhyming, high frequency words, great tie in to Calkins.

Fun book

This is a great book for young readers! It rhymes and there are actually 100 words except for the repeat use of some articles like a, an, the. I used it with my sons and it was their favorite book for

years.

Perfect for my son's one hundredth day of school!

I love this book! I had it when I was young and bought it for my son. He also loves it! I love the words it teaches him and the fun nature it has as well! I will continue to read it to all of my future children!

I am a 1st grade teacher and I read this book each year on the 100th day of school. Kids love coming up with 100 words on their own.

I remember this book fondly from when I was a young boy. Many a family member was stuck reading this book to me over and over on a rainy day. Once I was old enough to actually read it, I of course didn't have to... I had the words memorized. I upset my wife to this day, 30 years later, by reciting the words... now at long last I can share the pictures (not just the words) with my children. Thank you , and thank you SELLER!

We've read this book many times. My toddler likes it a lot, but I haven't heard her repeat any of the phrases or act out any of the scenes. Overall it's a fun story, and starts to cover the idea of opposites.
