Customer Reviews

Proud of my 10yr old niece wanting to learn more about Elvis. She quizzes me now at any chance she gets.

Great book for a quick read at a kids level. My son who is 8 used it for his 3rd grade book report.

Good book for kids.

Awsome because it had a lot of facts and the book had a lot of details that's why I like this book

Simple & easy read for kids.

Very easy for him to read and understand. He can't wait to do his book report on it. Love it

There are so many grammatical and typos within the book that we ended up reading it to our child so as not to confuse her. Also, the organization of the information did not flow well and was choppy.
