PreSchool-Grade 1-Young children may be acquainted with this jolly character from Mrs. Wishy-Washy (Philomel, 1999). True to her name, the woman loves to wash everything, including her farm creatures. Tired of the "old tin tub/where all the animals go for a scrub," Mrs. Wishy-Washy's pig, cow, and duck rebel and run off to a big city, but they find it "as wild as a farm stampede." They stumble into lots of trouble and end up, dirty and tearful, in the "animal jail" from which they are soon rescued. Fuller's bold, animated watercolor-and-ink illustrations feature humorous expressions on stout, rosy-cheeked humans and silly animals. This gently rhyming text with just the right amount of tension will be a splendid choice for storytimes and welcomed by beginning readers. An appealing story . . . -- Publishers Weekly

I purchased this to add to my Mrs. Wishy-Washy book collection that I read to my class during our farm unit. I have several activities that go along with this particular book. My students and I both love the story and the character of Mrs. Wishy-Washy is sure to be a classic.

My pre k class loved it. Had to read more than one time ...same day

Here is Mrs. Wishy-Washy again. Another delightful early reader from Joy Cowley.

My kindergarten class loved the book! They love animals and this was cute.

My 2 year old son loves this book! We got it as a library book and he loved it so much that he was beside himself when we had to return it. It was his favorite Christmas book (out of lots!). Even as I am writing this, he saw the picture of the cover and is so excited to see "Wishy-Waddy's Farm" :)
Highly recommend!

Cute story, my grandchild ask for this to be read frequently. Love the pictures. This is great for a gift for children that enjoy books.

Used it in teaching my early childhood class. Teachers enjoyed it.

Classic.....love it
