Steve Cohen Does it Again! These are blues riffs based on classic songs that you will use! You also get the horn & guitar lines for many of the songs, so you can play a duet with another harp player! One of, if not the best book out there on Riffs.Thanks Again Mr. Cohen.P.S.Some riffs use bending.

Great book for the harp player who wants to expand his repertoire of licks. Clear information and a great CD to help you all of the licks. Well worth the cost.

This book is packed with good stuff. Steve Cohen hit it out of the park with this one. My only complaint is that I didn't buy it sooner. I highly recommend this book/CD.
