My son loves great art and these stickers help youngsters grow an appreciation for great works of art. I wish they were larger so that you can really see brush strokes and appreciate these wonderful paintings.

Great pics. Disappointed that my favorite starry night wasn't included though. Other than that, these were perfect for the crafts I created.

This stickers are amazing, besides loving them their size is a large one and the colors are really good as well. You'll like them! I use them to complement the Van Gogh cards most of the time.

Bought these for a friend that loves Van Gogh. The colors are amazing and the stickers are the perfect size. Use them to decorate cards and letters, or use them for a craft project. Definitely recommend them to any art or sticker lover. :)
