Customer Reviews

My niece is just starting pre k so this book was perfect for her birthday gift. I paired this with a couple other Peppa Pig items and it makes an excellent gift! Each page is well illustrated with the cartoon and offers very easy, simple phrases. This is a great book to read to your child, grandchild, etc until they are ready to start learning on their own.

Adding to my granddaughter's KINDLE library. We read before bed. I catch her pretending to read stories rather than games or ytube.

Peppa Pig was a gift for a 3 yr old and she loved the book so much so that I'd like to buy the series

My four year old loves them. My 8 year old reads them to her and they both enjoy them.

My 5 year old daughter loves Peppa and had to get this and it's a nice book for her to practice reading her popcorn words!

Cute little Peppa book.
