My son says he does not like to read, but he loves these books. He can't when I order new ones. Arrived as promised. Good book.

A good book for my 4 and 6 year old boys. Silly topics and storylines that they enjoyed.

My 6 year old son loves the Ready Freddy series of books but this one is his favorite because he loves sharks too. He was not ready to read chapter books until the 3rd quarter of the first grade. This is a great series for beginner chapter book readers because they still include a picture in each chapter.

It's amazing! Said an 8 year old boy:)

7 year old boy loves ready Freddy books! He picked this one out on and I ordered it. He was so excited to start reading it. He is now taking it to school so his teacher can read it to the class.

My 5 year old Grandson's FIRST book of 'chapters'.....and he LOVED it! We finished this book over a long weekend at Grandma's house. He looked forward to every evening, and we would go over the previous chapter and laugh. Looking forward to reading ALL the books in this series.

Cute book was on time with the delivery

This book was amazing and very entertaining. It was funny, and it made you want to know what will happen next. I liked how the book had very easy to understand vocabulary. What I don't like is that it was so short. I would probably recommend this book to a younger kid but I still enjoyed it. :) Good job Abby Klein. :)
