Customer Reviews

Clean diet is a healthy way of living and eating. Throughout this book, you will be introduced to the most shared and basic concepts of Clean Diet, followed by 40 different recipes to help you to start your diet regime! This book contains a lot of interesting and useful information. While I was reading the

words of the author, I had feel like to chat with him. In addition to good instructions, this book contains a good recipes that will be of great benefit for your start. Sincere recommended!

The different recipes were interesting but there were too many things I don't have just on hand so unlikely I would take the time to go out and purchase them.
