Synopsis

All Things EFT Tapping Manual

EFT Tapping â “ Emotional Freedom Technique

If we want to make changes in our lives, long-lasting, permanent, constructive changes, we have to change the destructive, dysfunctional, mis-beliefs in the subconscious. We have to change the programming in the subconscious. EFT Tapping allows us to change the dysfunctional, destructive, mis-beliefs on a subconscious level. What is EFT â “ Emotional Freedom Technique:

EFT is a technique that allows us to change dysfunctional beliefs and emotions on a subconscious level. It involves making a statement while tapping different points along meridian paths. The general principle behind EFT is that the cause of all negative emotions is a disruption in the bodyâ™s energy system. By tapping on locations where a number of the different meridians flow, we are able to release unproductive memories, emotions, and beliefs which cause the blockages.

Customer Reviews

A short and right to the point book, I started doing EFT with ease and confidence half way through the book, I liked her style, it was easy to read and implement. I recommend this book for any one who wants to learn EFT in a fast and simple yet effective matter.

Use acupuncture to deactivate triggers. Seems a little strange, but it is very easy to try and appears to actually work.
