I love my ootd coloring book. The designs are beautiful and there are so many pages, I'm sure it will take a while to complete. Good down time activity that's not a phone. However when I did receive my coloring book it had smudges on the cover. Wish it arrived in perfect condition.

I love this book the pages are beautiful only con found out by trial and error that fine liner coloring pens are best to use instead of colored pencils the ink gives a better color pay off. Don't hesitate to buy this book I highly recommend it!

This is the cutest adult coloring book ever!
