Origami Fortune Tellers (Dover Origami Papercraft)

Synopsis

Kids can take a peek into the future with 15 colorful origami fortune tellers. Also known as scrunchies and chatterboxes, these paper toys are pre-printed, perforated, and easy to fold. They're great for playdates, sleepovers, birthday parties, and camp as well as for keeping kids amused in cars, planes, trains, and elsewhere. Themes include Vacation Destination ("A celebrity takes you to Hollywood!"), Outer Space ("You get a text from an alien!"), Music Mania ("Your song becomes a #1 hit!"), and Gross Stuff ("A mouse runs across your pillow!"). Children can chart their own destinies with three fill-in-the-blanks fortune tellers that allow them to personalize their predictions.Â

My 9 year old has had so much fun with these. She got them for Christmas and has used almost all of them with her friends! I remember making these when I was younger so I really loved that I found

these for her.

Grandkids loved it! Purchased for travel and it was a big hit. I have tried to find similar books at three different hobby stores without success. Priced great. Arrived in perfect condition. Makes 15 colorful "cootie catchers" in a fun variety. Great for a long trip or two. Lots of laughs and giggles when read.

the paper is too thin and they are hard to remove from the book without tearing,

These were a lot of fun at a ten-year-old slumber party. The girls really enjoyed them.

Excellent fun for a 13 y/o girl sleepover birthday party! Wish there was a digital option, print your own.

These are a great idea but the folds of them don't line up, so my daughter is having a hard time using them.

My granddaughter is really enjoying it.
