I rented this book, it came heavily used, a bit dirty, but I was able to clean it with a gentle baby wipe. It now looks much better. For the price, I'm very happy.

This book was great, truly helped me gain a much better understanding for our Psychological thoughts & actions. If your instructor chooses this book for your class you will not be let down.

The book had coffee spilled all over the first page under the cover. It was very worn. The content is legible, but I will have a problem reselling the book.

Thank You, I have enjoyed my entire orders, because all my books came on time for all my classes. You deserve all five stars.

Good affordable rental

It's pretty enjoyable because the author has a sense of humor. It makes studying a lot more fun. I wish I had bought it instead of just renting it.

the only reason why its 3 stars is because the book was ripped from the back.

Came extremely fast and the book look very new and it was well kept
