Suriname (Bradt Travel Guide)

Synopsis

• Navigate your way through Paramaribo's old quarter • Explore the vast wildlife-rich jungles that swathe the interior • Glide along the Upper Suriname in a korjaal dugout • Visit remote turtle-breeding beaches at Galibi and Matapica • Expert health, safety and security tips to know before you go • Written by leading travel expert Philip Briggs, author of 15 Bradt guides

Dutch-speaking Suriname is the smallest country in South America, but it packs in a remarkable biodiversity: it is home to the world's bulkiest rodent, the Western Hemisphere's largest cat and an exceptional 720 bird species. The UNESCO-listed capital Paramaribo is famed for its diverse ethnic mix and unique wooden architecture. And the forested interior is studded with opportunities for the curious traveller, from the vast Central Suriname Nature Reserve and plush Bergendal Eco-Resort to the bicycle-friendly plantation loop through Commewijne and sparkling rapids of the Upper Suriname. Tourism in this beautiful and largely unspoiled destination is on the up. Highly experienced Bradt author Philip Briggs brings you this first-ever dedicated English-language guidebook to Suriname, an essential companion for anyone exploring the country.

Book Information

Series: Bradt Travel Guide

Paperback: 240 pages

Publisher: Bradt Travel Guides; 1st Edition edition (April 7, 2015)

Language: English

Average Customer Review: 4.7 out of 5 stars 4 customer reviews

Best Sellers Rank: #1,353,063 in Books (See Top 100 in Books) #11 in Books > Travel > South America > French Guiana, Guyana & Suriname #526 in Books > Travel > South America > General

Customer Reviews

Philip Briggs is one of the world's most respected travel writers with a vast range of titles and articles to his credit.

This is a good travel guide, and, suitably for the destination, puts emphasis on nature. E.g., the tips

about independent travel to Brownsberg were very useful. It is also a good source of information about remote sites only practically accessible through tour operators, although some (like Kaiser Mountains or Tafelberg) are hardly mentioned. I have have one serious complaint about the Kindle edition: the maps are so small that any lettering is completely unreadable - and, at least in my android Kindle version, it is not possible to enlarge the images.

We spent nearly a year researching for our trip to Suriname and Guyana. Finding both general and then specific information was not easy until we got the Bradt Suriname book. By the time we actually arrived in Suriname we felt like we had a solid understanding of the country, culture, and more important, what we wanted to see and do while there. We were well prepared and relied heavily on the guidance provided in the book.

Nothing else like it as a current guide to the country.

Excellent, comprehensive guide in a little known area of the world. Suriname is not an easy place to travel, even as very seasoned travelers in remote areas of the globe. This guide was very welcome.
