Every Young Woman's Battle Workbook: How To Pursue Purity In A Sex-Saturated World (The Every Man Series)

Synopsis

A 8-Week Workbook for Withstanding the Greatest Pressure Young Women Have Ever Faced. Maybe you've seen images of women on TV, in movies, or in magazines and thought, I'll never look like that—even while suspecting that women with self-respect and integrity shouldn't even try to look that way. Perhaps you've felt the discomfort that comes when a guy wants you to go farther than you know is right. Possibly you feel that you've been robbed of your purity. In today's sexually charged world, it's easy to compromise in lots of little ways—only to discover that you've given away something you don't know how to get back. In the Every Young Woman's Battle Workbook—easy to use on your own or in a group—you'll find 8 practical, biblical lessons to help you to really guard your body, mind and heart. You'll learn how the sexual battle begins in your heart and mind—understand your hunger for attention from guys—explore what God has to say about sexuality and sex—recognize and avoid the potential pitfalls awaiting on your journey toward adulthood and possibly marriage—find out how the media, novels, fashion, internet chat rooms, and body and beauty obsessions influence your sexual choices—and what you can do about it—develop a deeper, more satisfying level of intimacy with God. Now is the time to stand strong. Learn how to protect yourself physically, emotionally, and spiritually—and how to get your need for love met in positive, healthy ways that leave you truly satisfied—with the Every Young Woman's Battle Workbook.

Awesome book. A must read for every single women (age 12 and up). Especially the way this world is going. God bless those who read this comment!

The workbook looks fine but I didn't need it as the book included the workbook. No where did I see that information but oh well, could be worse.

this is great to have although in the new editions of a young woman's battle the workbook is already included in it..but if you dont have the workbook then you should get this. a very, very good book that every girl and woman should read. it will save you a lot of heartache and guilt...

Our Job as parents isn't finished when our children become teenagers. They still want boundaries even though they push them to the limit and weary us. This book helped my daughter and I open communication about tough subjects. It is best to have a relationship of communication established when they are young so they will want to continue that as teenagers, but regardless I highly recommend this book for all teenage girls who believe in modesty and living their life in purity.

Every young woman should be reading the book and work through the workbook. It helps to understand why there are so many issues in school and with friends.

Topics are interesting to discuss with your daughter and a closed young ladies group

I ordered this for a friend who uses it for a group she leads. Have not personally read it but know she has found it helpful

I think this is so helpful for young women. I also recommend Every Young Man's Battle...it will give the young women the struggle young men have and give them insight in to why they need to be careful how they dress as to protect others.
