The Leadership GPS: Your Turn By Turn Guide To Becoming A Successful Leader And Changing Lives Along The Way

Synopsis

The Leadership GPS uses the inspiring story of Brian Alden in a turn-by-turn guide to becoming a successful leader. A member of the Millennial Generation, Brian is highly educated and wants to change the world, but when he finds himself in his first leadership role, he realizes he is short on experience. The head of his division is retiring and his manager is disinterested in training or development—so who can he rely on for direction? Denis McLaughlin invites you to join Brian on his leadership journey as an unexpected mentor guides him on the paths of successful leaders from the past.

Customer Reviews

"McLaughlin's storytelling format brings each stage of leadership to life...lessons are on point and lavishly illustrated with stories of great leaders past and present, from Michelangelo to Steve Jobs" - Kirkus Reviews

"Denis McLaughlin has delivered a timeless guide on leadership development told through an engaging parable on the importance of mentoring." - Greg S. Reid, national bestselling author of *Three Feet From Gold* "If you like Og Mandino, you will love The Leadership GPS." - Peggy McColl, New York Times Best-Selling Author aka "The Best Seller Maker" "Awesome!! A powerful how-to lesson on leadership combined with a delightful and captivating story of mentorship." This is a book I look forward to referring to anyone and everyone, whether just beginning their trip to leadership or needing to get back on the right track. This book is the GPS to help transport any

potential leader to the destination they desire." - Bob Burg, coauthor of *The Go-Giver* and author of *Endless Referrals*

Denis delivers a well written book with a practical step by step guide. Just like the author, the book adds value to those who read and practice it - going from small wins to large accomplishments. I found the writing to be simple and told in a memorable story-like fashion. This is highly recommended to any organization, any person, any team desiring accomplishment and achieving success through the steps of leadership. The book's practicality is relevant in today's public school education system, religious organizations, and corporate board rooms. Even the most successful can use reminders and tips of what sustained leadership can bring.

The Leadership GPS is a book I wish I had read earlier in my career. It guides you through Brian's first opportunity to lead a team and the importance of sharing what he learned with those around him. How Denis organizes and delivers this step-by-step guide to leadership and mentoring, has helped me rethink my role within my organization and influencing those around me. I'm glad I picked it up!

The book's story-telling style reminded me a little of The One Minute Manager. I found it enlightening as well as enjoyable. Hope of learning to lead in addition to supervising and managing is what this book inspired in me. Now on to application! Thank you, Sir!

"The Leadership GPS" is a well-written guide on the importance of great leadership. Author Denis McLaughlin does an incredible job of incorporating powerful leadership concepts in a story that demonstrates the proper application of them. I recommend this to anyone who values great leadership and "Changing lives along the way".

This is an easy read with tangible steps to guide you down the path to Leadership. I have had the privilege to work with Denis for several years and this journey works! You will be amazed at what you can accomplish with this roadmap to Leadership success!

Got my copy this week. This is an amazing book!!! A very practical guide to leadership. It is wonderfully written, simple to understand and full of wisdom. I would recommend to anyone interested in becoming or nurturing good leaders.

Denis has hit upon something very valuable for me. I have always know that if your not a leader, you're a follower. This book is an easy read and gives you some real life advice and guidance. Who doesn't rely on a GPS, why not know what the Leadership GPS is?

A great book!!!! Easy to read in story format. 10 simple steps to becoming a great leader, not manager, at work. Written in a fun way so the key lessons are repeated so I registered the steps into my brain. Anyone with a desire to lead people, get a promotion or is in a position of leadership and is wondering how to get massively successful results would do well to read this book and take notes in their journal. Ken Dekker, author of "The Wealth Formula".
