The Seasons And Other Works For Solo Piano (Dover Music For Piano)

Synopsis

While better known for his great orchestral works, Tchaikovsky composed a large number of solo pieces that are loved and played by pianists the world over. This new collection, bringing together the best and most popular of these compositions, is the finest single-volume edition of Tchaikovsky's solo piano music now available. Featured in this volume are two particularly well-known works: The Seasons, Op. 37bis, a suite of 12 pieces, each bearing the name of a month and capturing the spirit of one of the months, and Album for the Young, Op. 39, a set of 24 easy pieces popular with pianists of all levels for their charm and lyric grace. Also included in this edition are five early pieces: Three original et variations, Op. 19, No. 6; the famous "Chanson triste" and three other pieces from Op. 40; Valse sentimentale, Op. 51, No. 6; Doumka, Op. 59; and ten favorite excerpts from Eighteen Characteristic Pieces, Op. 72.

Customer Reviews

Wonderful music!

Nice edition on ivoryish paper for a reasonable price.

Not for the beginning or getting-back-into-it piano player!!!

send it to my grandmother, great, recommend it to my friend. very good . I have owned many knives over the years, but this is the first real" bread product that I have ever owned. I really like the construction and design. It works exactly as advertised. I have used it on bread and tomatoes and it did the job perfectly well. I would recommend this product to anyone who needs a quality bread product."
