The Walking Dead Volume 21: All Out War Part 2

Synopsis

The World we knew is gone. The world of commerce and frivolous necessity has been replaced by a world of survival and responsibility. An epidemic of apocalyptic proportions has swept the globe, causing the dead to rise and feed on the living. In a world ruled by the dead, we are forced to start living. Alexandria has been destroyed. Can Rick rally the other communities against Negan's army? This second part of the game-changing "All Out War" story arc collects The Walking Dead #121-126.

Customer Reviews

I will soon buy volume 22 and then will own the entire collection until the next one is printed. I don't know if I have ever written a review about the books, so here goes. I started reading these graphic novels in 2008 when a guy I was in school with introduced me to them. I fell in love, although there are some things that are quite shocking and I would much rather forget what occurred. I, like many of the walking dead fans couldn't wait for the show to air.....Now that it has, I can't watch it. I remain a fan of the books because the show is too watered down for me especially since I am already ahead of the show. If you don't mind gore (there's not a lot but when its there, its there), attention to detail, and a great story, then read these books. You won't regret it....unless they give you nightmares....but that's just another way to say how excellent these books are.

Its volume 21 by now I would hope you know what to expect and you know whether you like it or not. If you didn't like the first 20 volumes I think it's a safe bet you shouldn't buy this one. If you have enjoyed the first 20 volumes you know what you are getting, more of the same good storytelling and capable artwork.

Not sure I agree with not killing Negan. The Rick in the book is a pussy compared to the TV Rick

The conclusion to all out war. Who will win? Who will lose? And who will survive.

The ending was surprising but I liked it. I can't wait to see what they do with the show. I would recommend it.

Great product! I love it!

Great book

LOVE TWD!!
