Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Really good stuff. The production is solid, the musicianship is top notch. The guys comp the changes as though they were, you know, real musicians, playing real music. Very useful practice tool, and just plain fun. I would buy ten more titles like this.
