Customer Reviews

John Stott was a Christian thought leader and this compilation reflects his sheer brilliance on a myriad of subjects. I heartily recommend this book and hope that the publisher will Kindle-lize it soon!

It was ordered as a gift for a good friend of mine. She said that she would like it and so I got it for her birthday.

Best quotable Stott out there.

When I first bought Authentic Christianity, I had to order it from overseas. What a blessing it is to be able to get it quickly from the USA (this time as a gift). Mr. Stott's writings are comparatively simple. To be a first-rate scholar and yet "interpret" the scholarship in such a manner the simplest of souls can understand is, itself, a gift. Mr. Stott is very insightful. He is uncompromising. He clearly is a lover of truth and the Lord. It appears to me that Mr. Stott has thoroughly discussed every vital topic

pertaining to Christianity.
