Master Spanish In 12 Topics, Book 2: Over 220 Intermediate Words And Phrases Explained

Synopsis

Lots of intermediate Spanish speakers tend to get trapped using the same vocabulary over and over again. They often only speak about subjects they know the words for and avoid anything outside of their comfort zone. The problem with this is that even though they sound ok, they never really get any better. If you really want to improve, you need to be able to speak about a wide range of topics. For this, you will need to learn the special vocabulary connected to these topics. What are the benefits of using this book? You will learn over 220 very useful Spanish words and phrases. You will be able to speak about 12 new topics with confidence. All new words and phrases are introduced in fun and interesting articles and stories. Everything is explained in easy to understand Spanish, so you can get used to thinking in Spanish. There are well over 200 example sentences to help you understand how these words and phrases are used in everyday language. What topics will I be able to speak about after I listen to this book? Friendship Money Job search Health Parenthood Family Personality Alcohol Movies Fashion Gossip Social networks Remember these are all topics that native Spanish speakers often talk about. They also tend to use specialized language so it's important that you know it too. If you are in the intermediate level and are looking to really improve then this a great place to start. Get started on your journey to Spanish fluency today!

Customer Reviews

The topics could have been a liitle more practical. I travel all the time and i really didnt find the dialogues more substantial and practical. Good try though. I was a little disappointed.
