Billy Graham: Just Get Up Out Of Your Seat (Trailblazers)

Synopsis

Billy was born on a dairy farm in Charlotte, North Carolina in 1918 just days after the signing of the armistice that ended the first world war. At the age of sixteen Billy Graham came to Christ during a Christian revival meeting and it wasn't long before he felt the call to preach. With the help of his wife Ruth and many other friends and colleagues Billy Graham set out to preach to the world. The Billy Graham Evangelistic Association was founded and since that day Billy has preached to over 80 million people in more than 185 countries. Millions more have been reached through television, video, film and webcasts. He has founded newspapers; film companies, magazines and radio ministries. Communism and Apartheid, Segregation and Terrorism - Billy Graham has faced up to all Christianity's major opponents of the twentieth century. From playing the bail money to get Martin Luther King out of jail to addressing the memorial service in Washington after the collapse of the World Trade centre, Billy Graham has been there for people with practical help and a message of hope that is timeless. Billy Graham: "Yes Sir, take me to the cross, I can find my way from home from there" Catherine balances knowledge of the subject well with personal anecdotes that make the characters come to life. It also makes you want to praise God for them. If you were teaching about famous Christians or wanted to challenge young people about what God could do with their life these would be ideal. Questions at the back of each chapter are helpful for class or group study. The 'How to become Christian' section at the back is a vital inclusion. "Christian Marketplace" Billy Graham is the most effective world evangelist we have had since the New Testament Apostles. Thank you Catherine for the careful research and animated writing put into this inspiring story of our time" Richard Bewes ~ OBE, Author & retired rector of All Souls Church, Langham Place, London "As I grow older, my confidence in the inspiration and authority of the Bible has grown even stronger. So has my conviction that only Christ can give us lasting hope... As the Bible says in John 3:16, "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life". Billy Graham

Customer Reviews

Good bio and good message of hope in God. We used it in our homeschool when studying modern history. This book is about B. graham but also touches on some historical events and people.

We are looking forward to reading some more Trailblazers books. This book was informative and well written. We learned a lot that we did not previously know about Mr. Graham.

Awesome book for youngsters to learn about the life of Billy Graham.

This book has been read over and over again in our house. What a story to be told. Trailblazer books are wonderful for boys and girls.

This is a book meant for young readers. As such, it's not a very in-depth look at Billy Graham. And, no, I didn't expect depth. It's the perfect length for children to get the basics without being bored. It's written in an easy-to-read format that most young readers shouldn't have much trouble understanding. As an adult reading this, I found this to be an educational appetizer. I find myself wanting to learn even more about Billy Graham. The editing in this book wasn't quite up to my standards, but the minor errors I saw didn't make the book unreadable. It just made me shake my head in frustration at times. While I think kids won't have a problem reading through it, I think books written for youngsters should be as close to perfect as possible.
