The Argyle Sweater 2018 Day-to-Day Calendar

Synopsis

The Argyle Sweater, now in its tenth year of syndication, is the brainchild of Scott Hilburn whose clever (and possibly twisted) brain comes up with unique and funny situations like gravy boats taking a literal Gravy Train to Turkey Town, a cloud whose silver lining was stolen by a scrapper, and what happens when Adam mistakes Eden Ivy for a fig leaf. This colorful, surreal, and often punny comic is a favorite of readers of all ages. With a different, full-color panel each day, The Argyle Sweater 2018 Day-to-Day Calendar will keep readers grinning, groaning, and laughing out loud all year long. Covering (and sometimes skewering) topics such as history, pop culture, relationships, religion, and everyday life, The Argyle Sweater has something for everyone. The calendar features more than 300 new panels not featured in previous calendars. As an added bonus, the back of each page includes daily extra content such as puzzles, jokes, lists, quotes, activities, tips, and trivia.

THE ARGYLE SWEATER 2018 DAY-TO-DAY CALENDAR It is July 27 and today I received my 2018 ARGYLE SWEATER daily calendar! I am so happy! I will have to tuck it away so I don't take sneak peeks at the upcoming pages! This calendar, as always, is constructed of nice grade paper and a sturdy plastic holder, which is to be recycled at the end of the year. It will tuck nicely into any

little nook or cranny available where you can keep track of the days with a good laugh or two. Mr. Hilburn never fails to make me laugh -- his ideas, drawings, thoughts, are so funny and yet so down-to-earth and easy to related to. When I worked, I cannot tell you how many times I would bring in a page that reminded me of a friend or a work situation. His characters on each page are so well drawn and detailed. Some of them make me laugh all day long. And that's what it is all about. Not only do you get a laugh-a-day cartoon page each day, but on the back of that page is a nifty item called THE DAILY EXTRA. These consist of bonuses -- puzzles, jokes, lists, quotes, life tips and trivia. Each calendar page is in color and bright and eye-catching. The cartoon is to the left -- on the right there is a white open area where you could easily jot down appointments, birthdays, events, and then below that is the day of the week, the numbered day of the month and the month itself. Like stated earlier, the cartoons are so well drawn down to the finest detail and SO funny. If you are looking for the perfect calendar that will make your day, keep you on track regarding the actual day and date, and add some color and laughs to your life, this is the one for you for 2018. Scott Hilburn never disappoints ARGYLE SWEATER is the ONLY day-to-day calendar I will purchase!

Love this calendar, I've been getting them for a few years now.

Absolutely the worst day to day calendar I've ever seen. Thought maybe it was just me, but I show these around my office and get the same reaction. WTF? Is that supposed to be funny? Gary Larson did set the bar pretty high but this should not be allowed in the building.
