Activision Publishing, Inc. was founded in 1979 as the first independent video game software developer and distributor. Today, the company is a leading worldwide developer, publisher and distributor of interactive entertainment and leisure products for a variety of platforms.

not what I expecteddescribes characters, but wanted a "guide through the game"

This was a gift my son received for his 6th birthday in Oct. Mind you, he didn't even have the game because I didn't think he was ready for it. Boy, was I wrong. I purchased this copy for my nephew. I scored high points in the "fav aunt" scale. Skylander aficionados , this is a must have book. Great read for car rides, play dates, field trips, etc. We are looking forward to the Skylanders Swap Force

Guide which will be released 6/26/14.

wonderful condition

our grandson loved it!

Book shows each character powers, which can be viewed in game. I'm sure my son would love this, but I'm not impressed.

good quality, nice color pages. Yet according to my son, 2/3 of the book are on introduction of the Giants characters only, not so much on how to pass levels. If you're looking for game guide (teach you how to pass game levels), you might want to look for other books.

Recommend this to a school age kids. My five year old enjoys adding the stickers from the Skylanders packages. Also, great to learn more about the characters.

my 10 year old son wanted this from the book order at his school. I found it cheaper at so we got it here. he loves it! And he saved a couple of bucks. Win Win!
