Two From The Heart

Synopsis

From the #1 bestselling author of *Suzanne's Diary for Nicholas* and *Sundays at Tiffany's*, two heartwarming tales about the power of a good story to open our eyes to life's possibilities. Anne McWilliams has lost everything. After her marriage falls apart and a hurricane destroys her home she realizes that her life has fallen out of focus. So she takes to the road to ask long lost friends and strangers a simple question: "What's your best story?" Can the funny, tragic, inspirational tales she hears on her journey help Anne see what she's been missing? Tyler Bron seemingly has it all—a successful company and more money than he knows how to spend. But he has no life. So he hires a struggling novelist to write one for him. There are no limits to the fictional world that Bron's money can transform into a reality, and he soon becomes the protagonist of a love story beyond his wildest imagination. But will Tyler Bron be able to write the happy ending himself?

James Patterson has had more New York Times bestsellers than any other writer, ever, according to Guinness World Records. Since his first novel won the Edgar Award in 1977 James Patterson's books have sold more than 300 million copies. He is the author of the Alex Cross novels, the most popular detective series of the past twenty-five years, including *Kiss the Girls* and *Along Came a Spider*. He writes full-time and lives in Florida with his family.

I have read his other novels, I can't get into this one. It is slow and the story lines are flat. I was

looking forward to this, just disappointed.

I loved the first story wish I'd did not end .the second story was terrible don't waste your money on this book.

Definitely not James Patterson's best...I live for his books that aren't mysteries...this one is totally not worth it...

Definitely NOT one of his best

James this was not one of your best book.I always read your books and I believe I get lost in them.Not so with this.Sorry.

What a different type of story. Really wonderful. Loved the characters and the premise. Wouldn't it be wonderful if a small school like this really could have this happen?

A nice easy light read. It was a perfect distraction during a tough time. Likeable characters on interesting journies. Enjoyed it.

Today's is not soon enough to read this. I was engrossed at every page,need I say more. Every one should read. Thanks JP.
