Tomart's Price Guide To Hot Wheels: Volume 1: 1968 - 1996

Synopsis

The new sixth edition of Tomart's Hot Wheels guide is being published in two volumes and is current up to 2008 vehicles available at the time of publication. Volume One is available now. It covers Hot Wheels cars first produced from 1968 through 1996, plus variations of these castings manufactured up to 2008. It has been six years since the last Tomart's Price Guide to Hot Wheels. There have been many changes to make the guide more user friendly and provide additional information. Both books are printed in full color. The history of Hot Wheels cars has been expanded, and the Wheels section has been re-vamped to make it easier to identify the tires, rims, and markings found on Hot Wheels wheel designs. A panel of over 30 collectors and dealers have priced each Hot Wheels vehicle by grade category to provide the most up-to-date value information available.

Book Information

Paperback: 160 pages

Publisher: Tomart Pubns; Sixth edition (July 23, 2008)

Best Sellers Rank: #346,530 in Books (See Top 100 in Books) #61 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Dolls, Toys & Figurines > Toys](#) #66 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Americana](#) #165 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Antiques Care & Reference > Reference](#)

Customer Reviews

I have rated it 4 Stars because the Catalogue was not covered with a plastic cover therefore it will always show some light creases on the front and back cover, maybe that it something that you guys can improve on and apply for future buyers. Kind regards Joe

This book will cover 99 percent of the vehicles and variations. Not sure if the pricing is wholly on the dot. They seem optimistic. Regardless, as a book to identify and complete a collection, this is the book you want. I use valuations only as a general barometer. Generally, the market will sort itself

out correctly. However, this book is essential to any collector. It breaks down and identifies the vehicles. I would recommend this one in conjunction with THE ELITE REDLINE GUIDE by Jack Clark.

A complete guide for review with many photographs for reference. A much needed reference for identification and pricing.

Very well written informational book with color photos and information. Any collectors must have!

exactly as described and came in on time

If you are novice & need more info on the Redlines or just need little refreshing this is very nice book to add to your library or carry in your vehicle

Exactly what I wanted

a must for what I do
