Gift Of The Devil

Synopsis

Guatemalan history has been dominated by a long string of revolts punctuated by periods of exploitation and suppression. It is a history of sharp contrasts, of violent conflict between an oppressive elite and a majority Indian population. The first full history of Guatemala to appear in several decades, this volume reveals that the country's current traumas are a bitter but logical extension of a past based on harsh colonial institutions, dispossession and racial and economic oppression.

Book Information

Paperback: 324 pages

Publisher: South End Press (June 1998)

Guatemalan history has been dominated by a long string of revolts punctuated by periods of exploitation and suppression. It is a history of sharp contrasts, of violent conflict between an oppressive elite and a majority Indian population. The first full history of Guatemala to appear in several decades, this volume reveals that the country's current traumas are a bitter but logical extension of a past based on harsh colonial institutions, dispossession and racial and economic oppression.

This book has been well respected as a reference work on the subject for many years, an interesting and relatively brief read.

I read this book before going to Guatemala in 1997 and reread it when I was there. It's a very

informative book for the period of time it covers. I wish Mr. Handy would update the book or do a sequel for the time period since the book. Gift of the Devil is excellent. Daniel O'Donnell

"Gift of the Devil" provides a very good overview of Guatemalan history through the early 1980s. I was not very familiar with the details of the country's history before reading the book, and found it quite informative.
