WHITNEY SANDERSON has loved horses since she was a child, riding in a 4-H club and reading series like The Saddle Club and The Black Stallion. In addition to always having a horse or two in the backyard, she grew up surrounded by beautiful equine artwork created by her mother, Horse Diaries illustrator Ruth Sanderson. Whitney is the author of Horse Diaries #5: Golden Sun and Horse Diaries #10: Darcy, as well as another chapter book called Horse Rescue: Treasure. Her website is whitneysanderson.com. **Á** **Á** RUTH SANDERSON has illustrated books for children of all

ages, including Summer Pony, Winter Pony, and Hush, Little Horsie. She lives with her family in Ware, Massachusetts, and her favorite hobby is horseback riding.

This is the 14th book in the Horse Diaries series and is the story of Calvinos the horse in the Spanish court.. My only criticism of this book is that it is made a bit more difficult than most of the previous Horse Diaries books due to the number of Spanish words in the book. However, this is a learning experience and my granddaughter enjoyed the book even with struggling with all of the new words and their pronunciation.

Perfect condition.

Granddaughter loves the series! She has the whole set.

Great book!
