Customer Reviews

The "large" print is really not. Don't buy this if you really need a large print Bible. It only cost 5.99 so quality wasn't expected, but the pages are thin newsprint quality and the cover is very flimsy.

I don't know why they say LARGE PRINT. This has the same size print as every other bible I own. I do like the slimness of this bible. It travels easily in my book bag.

Good size Bibles. Great price so we can have several on hand to give out as needed. We will get more when we need them.

Its exactly as described

Wanted an inexpensive copy of the Bible to go on a trip that i knew I wouldn't return with luggage.
This was perfect.

Print not as large as desired, but good value nonetheless.

Great book for terrific price.
