“The Complete Gut Health Cookbook allows us to leverage the words of Hippocrates that ‘All disease begins in the gut’ by providing us incredibly healthful and delicious recipes that will keep us healthy today and for a long time to come. This book is masterful as it goes

well beyond just providing recipes and explores the limitless health potential of nurturing our gut bacteria. Pete Evans is to be praised for changing the lives of so many with his empowering educational outreach. (- David Perlmutter, MD Author, #1 New York Times Bestseller, *Grain Brain, Brain Maker, and The Grain Brain Whole Life Plan*) "The book contains more than just healthy and delicious recipes; it's a step-by-step guide to leading a healthier life...Written from a relatable and personal perspective, [Evans] reveals what he has learned on his health journey in the hopes that it will inspire and motivate others." (*Rewire Me*) "The Complete Gut Health Cookbook" is one of the most intriguing cookbooks to ever grace my desk! Beyond affording the reader with an impressive selection of restaurant-quality recipes, the book, as the title suggests, is all about cultivating a healthy gut! I found myself reading each page, each ingredient, like I would a compelling piece of fiction. I was captivated by every creation eager to see what would be on the next page, and restless to tackle each dish myself! Caught up in the creativity of the recipes, you might forget that they're written with an eye toward optimal health." (Paleo Magazine)

I love this cookbook. I bought one for myself and two as gifts. Large book with nice heavy glossy paper and beautiful pictures of the recipes. Pete follows paleo principals with lots of veggies.

An excellent source for those trying to naturally fix an ailment and just eating real food! Great recipes, easy to prepare and delicious! I'm very pleased with it and highly recommend this book and The Paleo Chef!
